Description:

This particular Nardi-Danese is the actual very first car ever made by Enrico Nardi. It was constructed in 1947. The chassis-frame was made by the Grignani brothers and Ing. Augusto Monaco. The body-work was made by Rocco Motto. During 1947 the car was raced in various well-known Italian events before being sold to Berardo Taraschi and then exported to the USA.

This car has period Italian competition history and many years of period racing in America.

A very significant Italian etceterini that will qualify for many major events.

Comes with period pictures and documents and is featured in the latest book on Enrico Nardi.
