## **Description:**

Check out this rare find – a beautifully restored Tri-Power (M-Code) Sports Roadster, registered with the Sports Roadster society. It is finished in brilliant Rangoon Red paint on a factory metal body. The chrome, stainless trim and badges are in excellent condition as is the white soft top. The Kelsey-Hayes wire wheels are brilliantly polished and wear white wall radial tires. The interior is nicely appointed with fresh black seats, dash, and carpet. The electronics work correctly. Mechanically, this Bird needs nothing. She is fully restored and ready to be enjoyed. Plenty of power makes this large T-Bird seem light on its feet. Like other M-Code's, the engine bay is beautified by lots of chromed components and these pieces are stunning! This Thunderbird is an amazing find and a true collector's piece. If you have been looking for one of these, you have found the one you have been longing to take home.
